

Clinical Pharmacology and Toxicology Research

Journal of Pharmaceutical and Pharmacology Research publishes research findings for advancing knowledge in Biochemical pharmacology, Cancer Pharmacology, Molecular and cellular pharmacology, Pharmacology, Structural biology, Cardiovascular Toxicology, Cardiovascular Pharmacology, Clinical Drug Trials, Clinical Pharmacists, Clinical Pharmacology, Clinical Research Studies, Clinical Trials Databases, Medical Trails or Drug Medical Trails, Methods in Clinical Pharmacology, Pharmacoeconomics, Preclinical safety evaluation of biopharmaceuticals, Psychopharmacology, Forensic Toxicology, Heavy Metal Toxicity, Renal Toxicity, Reproductive Toxicology, Skin Toxicology, Tetanus Toxin, Toxicogenomic, Toxicology Reports, Toxicology Testing, Chemical Toxicology, Developmental Toxicology, Drug Toxicity, Applied Toxicology, Genetic Toxicology, Inhalation Toxicology, Neuro Toxicology, Ocular Toxicology, Paediatric Toxicology.

Clinical Pharmacology: Information on drug action, pharmacokinetics, pharmacodynamics, drug interactions, personalized medicine, Paediatric pharmacology, geriatrics, pharmacogenomics, clinical trials and therapeutic drug monitoring.

Toxicology: Focus on drug safety, adverse reactions, poisonings, regulatory toxicology, environmental toxicology therapeutic dilemmas, or toxicology reports relevant to current practices.

The journal publishes articles in the form of Research Article, Review Article, Mini Review, Original Article, Short Commentaries, Editorials, Image Article, Case Report and Video Research Article on topics of Clinical Pharmacology and Toxicology. These articles present original research findings and are widely read by scientists, healthcare professionals, and industry experts.

Kindly visit the [Instructions for Authors](#) page for detailed article preparation guidelines, information on the process of publication, article processing charges (APC), patient consent, confidentiality, and more.

Manuscript Submission

Authors are requested to submit their manuscript by using Online Manuscript Submission Portal: <https://www.pharmaresearchhub.com/submit.html> (or) also invited to submit through the Journal E-mail Id: editor@pharmaresearchhub.com.
