

# CURRICULUM VITAE

---

**Dr. Shaymaa Fadhil Abbas, PhD**

## Personal Information

Full Name: Dr. Shaymaa Fadhil Abbas  
Academic Title: Lecturer  
Department: Department of Pharmacology

Position: Head of the Department  
of Pharmacology

Institution: Alzahraa College of Medicine, University of Basrah  
Country: Iraq  
Email: [shaima.abbas@uobasrah.edu.iq](mailto:shaima.abbas@uobasrah.edu.iq)

Official webpage: <https://uobasrah.edu.iq/faculty/2550>

ORCID: 0000-0001-5295-0663  
Scopus Author ID: 58548664700

<https://www.scopus.com/authid/detail.uri?authorId=58548664700>

Web of Science ResearcherID: G-9096-2019

## Academic Qualifications

PhD in Pharmacology and Therapeutics –College of Medicine, University of Alkufa

MSc in Pharmacology – College of Medicine, University of Basrah

MBChB- College of Medicine, University  
of Basrah

## Current Position

Head of the Department of Pharmacology, Lecturer, Department of Pharmacology  
Alzahraa College of Medicine, University of Basrah

## Responsibilities

Teaching medical pharmacology for undergraduate students

Supervising student research projects

Developing academic curricula and teaching materials

Participating in examinations and academic committees

Contributing to scientific research activities

## Research Profile

Experienced researcher in pharmacology and therapeutics with a focus on experimental pharmacology, toxicology, and biomedical sciences. Active contributor to peer-reviewed scientific literature indexed in Scopus and Web of Science.

## Research Interests

Pharmacology and Therapeutics

Experimental Pharmacology

Toxicology and Drug Safety

Oxidative Stress

Cancer Pharmacology

Drug Development

## **Peer Review Experience**

Reviewer for peer-reviewed journals in pharmacology and toxicology.  
Experience in evaluating experimental design, methodology, and scientific integrity.

## **Skills**

Scientific manuscript review  
Experimental research design  
Data analysis  
Academic writing

## **Languages**

Arabic: Native

English: Fluent/Advanced
